

BRIEFLETS.

No dust.
—Full cisterns for the sisters.
—The streets are teeming with teaming.
—Prayer-meetings to-night at the churches.
—Oysters are quite apt to get in a stew as the weather gets colder.
—Will Conrad has returned hale and hearty from his trip to the north.
—Adjutant General Bryant will be in the city next week to inspect the militia forces.

—Frank L. Bond, son of Dr. D. M. Bond, left for Chicago this afternoon to continue his studies at Rush Medical College.

—The Janesville Veterans will secure uniforms, and will then be able to draw upon the State for arms and accoutrements.

—Will Palmer, son of Doctor Palmer, went to Chicago to-day where he will enter upon a course at the Chicago Medical College.

—Everybody should look at the prices of groceries given by Brown Brothers in another column. They are pushing business right along, and are having a lively trade.

—Dr. O'Leary, who lectured with such success a few years ago in this city, is arranging to come here again, within a short time. There are many who would gladly hear him again.

—The grain men are being kept busy. For several days past the receipts at the Corn Exchange have been averaging over 10,000 bushels daily, and there seems no prospect of a let-up.

—The Janesville Guards meet to-night at 7 o'clock for squad drill preparatory to inspection, and at 8 o'clock a business meeting will be held, at which time the non-commissioned officers will be elected.

—The attempt to secure a large tent for holding the crowd who will gather at Fort Atkinson next Sunday to hear Bishop Foster has failed, and the Bishop will preach in the Methodist church in the morning.

—J. Rankin, of Manitowish, chairman of the Democratic State Central Committee, arrived in the city last evening, and departed for Eagle to-day, where he speaks to night with Parker, the latter taking the soft side of the plank and Rankin the hard side.

—A dispatch from Green Bay states that a man has been found near there who is evidently insane, and could give no intelligent account of himself. From papers on his person his name is supposed to be Mason K. Davis. He has letters dated Janesville, and from points in Nebraska.

—Rev. Dr. Hodge, formerly of this city, has removed from Kalamazoo, Michigan, to Milwaukee, and will commence his new labors next Sunday. He will at once connect himself actively with the general church interests in this State, and will take a prominent part in the Baptist convention to be held in Racine next week.

—The Daily Times, a three column paper for campaign purposes, will appear on the streets next Monday, being fathered by Wilson & Tinsley, who will endow it with the same life and vim which characterizes the City Times. It will be devoted mainly to local politics and local news, and will be put on the market at a penny apiece.

—The cooper shop of G. H. Dann, corner of South River and Center streets had a narrow escape from a blaze night before last. Some barrels which were set around the stove to dry, in some way got on fire, and the flames threatened to burn everything up, but a watchman fortunately discovered the blaze in time to squelch it before it did much damage.

—The house owned by Mr. Levi Carle and occupied by Henry Stearns was badly drenched by Tuesday's rain. The building was unroofed preparatory to reshingling when the storm came up, and the water which fell in torrents had a regular free-for-all. Mr. Stearns' carpets and household goods were almost submerged and the building suffered no little damage.

—Elsewhere in this paper will be found a very convenient business directory containing the cards of leading firms in various branches of mercantile and professional life. Every one should keep the list conveniently near for ready reference. The names contained therein are of those who will be found square in their dealings and accommodating to the public. They are well-known and may be looked upon as reliable. Such a list will prove a ready help to those desiring information as to the best places to patronize.

THE WEATHER.

The thermometer at 7 o'clock this morning stood at 54 degrees above and at 2 o'clock this afternoon at 69 degrees above. Cloudy. One year ago to-day at corresponding hours the thermometer stood at 63 and 79 degrees above.

The indications are, for the Ohio valley and the Tennessee and lake region, cooler northwest to warmer southwest winds, rising barometer, and clear or partly cloudy weather.

SPORTING NOTES.

The Chicago defeated the Milwaukee yesterday by 8 to 4.
The Buffalos defeated the Boston yesterday by 9 to 5, in a twelve inning game. The Buffalos made 6 in the last inning.

At St. Louis yesterday hopeful made three trial heats in 2:15½, 2:15, and 2:15½.

The Hanlan-Courtney race was postponed yesterday on account of bad weather. O'Leary is still keeping about thirty miles ahead of Hughes in their six day tramp.

CHICAGO ELOQUENCE.

Charles J. Guiteau Esq., "the eloquent Chicago lawyer" who was to lecture last night at Lippin's hall, had no audience to hear him, and his promised review of Christianity was allowed to slumber quietly in his side-pocket. This morning, like the Arab, he silently stole away, concluding not to give the other two lectures of his promised course. Judging from the

scarcity of auditors last night, the public will not be greatly disappointed at not being permitted to hear his lecture on St. Paul, which was to be his "leading dramatic effort."

A RACE FOR THE RACE.

A Bad Runaway By Which the Driver Hurt And One of the Horses Drowned.

There was a bad case of runaway about noon to-day. A team owned and driven by Mr. Fairbanks, and which has been employed in drawing fuel and grain for Ford & Co., became frightened from some unknown cause and started on the dead run heading toward the race. In turning a corner the wagon struck and the wagon-rack was thrown out, and the driver was injured quite severely by the sudden way in which he got out of the wagon. He had one bad cut over the eye, and another on the cheek, from which the blood flowed freely. A blood vessel in his leg was burst also and he will probably be obliged to keep to the house for several days. The team has had a bad reputation for this kind of business, they having furnished several runaway items this season. One horse at least, and the more vicious of the two will run no longer.

A PILLAGER SHOT.

The pillagers of orchards, nurseries and vineyards are growing more numerous and more bold. Only a short time ago Mr. Search was badly stoned by them, because he would not let them plunder his premises. A little later Dr. Burrus tried the experiment of shooting peas at them, but with little effect. For some time past the nursery of Mr. F. W. London has been raided almost nightly, the thieves not being mere boys, but young roughs averaging about twenty years old or more. Mr. London has lost by these nightly prowlers about \$100 worth of grapes. In spite of the fact that he watched his premises as closely as was practicable. Lately he has been obliged to stand a night-long guard and on several occasions he snatched his gun with a view to intimidating them. Patience at last ceased to be a virtue, and last night when the same gang returned he blazed away at them with buck shot. One of them was heard to cry out in pain, but he was not so badly hurt as to prevent his escape. Whether powder and shot administered in heavy doses will be a curative or not remains to be seen.

MAKE READY FOR WINTER.

Now that the prudent ones are preparing for winter, it is well to know where to go to get good clothing at low prices. In another column will be found a proclamation from E. T. Foote, who has filled his establishment with a large and varied stock of all kinds of clothing and cloths, and gent's furnishing goods. He has put prices down till they rest on bed rock, and he prides himself on keeping up the quality of his goods. He is prepared to fill all orders, having Mr. Charles Penniman, an experienced cutter, who has been here for years. In the ready made department Mr. Clinton Wilcox will be found ever ready to show goods and give prices. The stock should be examined by all, and prices are sure to suit.

IN THE FIRST DISTRICT.

The Sentiments of the Honest-Money Democrats.

[We have been requested to publish the following because the honest-money Democrats have no organ of their own in this county.—ED.]

The First Assembly Democratic District Convention met at 1 o'clock Tuesday afternoon, under the call for a Democratic Convention. Present: George Helmbolt, Spring Valley, W. T. Hall, Evansville. The Greenback repudiation party was also there in force. Before the Convention was called to order the repudiators captured George, and that was the last seen of him by the Democratic Convention. After due deliberation the Democratic Convention passed the following Democratic resolutions, as a platform for some good man to stand on, and then adjourned for two weeks:

WHEREAS, The so-called Democratic convention at Elkhorn, which endorsed Chas. H. Parker the Greenback candidate for Congress, of the 1st Congressional District, misrepresented the Democratic party. Therefore

Resolved, That their action is not binding on the Democrats of the First Congressional District of Wisconsin.

Resolved, That gold and silver coin and a paper convertible into coin at the will of the holder, should be the only currency of the country, and steady steps be taken to ward specie payment, and the honest payment of the public debt.

Resolved, That we believe the Government of the United States was intended to be a hard money Government; that it was the intention, and the declaration of the Constitution of the United States that the Federal currency should consist of gold and silver; and that there is no power in Congress to issue any species of Federal paper currency whatever.

Resolved, That the Convention will not support any candidate who does not stand firmly on the above platform.

In conclusion I will say, the Convention was very harmonious. Respectfully,
W. T. HALL.

From the Hilledale (Mich.) Standard.
"Dr. Price, who has made regular visits for the past sixteen years, is one of the ablest and most successful practitioners. He is thoroughly educated in his profession, and skilled far beyond the most of doctors of the present day. His specialty is in chronic diseases, wherein he is meeting with great success.

The Doctor does not flatter his patients by trying to make them believe that their condition is better than it really is. He is always candid in his examinations, and tells his patients just what he honestly thinks, and nothing else. We regard him as an able, candid, conscientious man and doctor, and will perform all that he claims to do."

If desirous of consulting a physician of honesty and skill, see Dr. Price, at the Myers House Saturday and Sunday, the 19th and 20th of October.

An Undeniable Truth.
You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you,—your unreasonable prejudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning, will soon show you that Green's August Flower will cure you of Liver Complaint, or Dyspepsia, with all its miserable effects, such as sick headache, palpitation of the heart, sour stomach, habitual constipation, dizziness of the head, nervous prostration, low spirits, &c. Its wonderful reach every town on the Western Continent, and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will cure you. You are decided—wonder!

Fever and Ague Cured for 50 Cents.
Dr. Swayne's Fever and Ague Pills, (without calomel or quinine), are a quick and sure cure in every case for ague and fever, intermittent and remittent fever, and all diseases having their origin from Malaria. They are a great tonic and preventive as well as cure of all complaints peculiar to malarious, marshy and miasmatic districts. They act on the liver, and brace up the system to a vigorous healthy condition. Notwithstanding these pills are sold for one-half the price that other ague cures are sold for, yet we will warrant them as effective in all cases as any pills or mixture, let the price or compound be what they may; and being entirely free from all minerals, their use leaves no bad effects, as in the case of many other remedies. Sent by mail to any address on receipt of price, (in currency or postage stamps), 50 cents a box, three boxes \$1.25, six boxes \$2.50. Address letters, Dr. Swayne & Son, 330 North Sixth St., Philadelphia.

Beyond the Reach of Human Skill.
Is the power to restore the hair to bald heads when the bulbs at the roots are destroyed by age or disease; but there are doubtless many persons becoming bald, whose hair by careful attention might be restored to its original luxuriance and beauty. Parker's Hair Balsam is an elegant preparation, designed to meet the public want for a harmless hair dressing and restorative. It acts like magic, commencing at the very roots, removes dandruff and all humors from the scalp, and never fails to restore gray or faded hair to the original color, and the soft, rich and glossy appearance of youth. By its occasional use falling of the hair is immediately checked, and a luxuriant and beautiful growth of young hair induced. The exquisite perfume and the purity of its composition are highly appreciated, and as it is not a dye and does not stain the skin or clothing, it is a growing favorite of the toilet table everywhere. Buy a bottle from your druggist, A. J. Roberts, Janesville, Wis., and test its merits.

ITCHING PILLS.

The symptoms are moisture, like perspiration, itching, burning, increased by scratching, very distressing, particularly at night as if pin worms were crawling in and about the rectum, the private parts are sometimes affected; if allowed to continue, very serious results may follow. Dr. Swayne's All Healing Ointment is a pleasant sure cure.

HOME CURES.—We were great sufferers from Itching Pills, the symptoms were as above described; the use of Swayne's Ointment in a short time made a perfect cure.

J. W. CHRIST, Boot and Shoe House, 331 N Second Street.
T. C. WEYMAN, Hatter, 5 South Eighth Street, Philadelphia.
